Message from the Council President

In the past few years, as most towns ceased all operations during the pandemic, Dublin Borough has been quietly improving its town center, creating a modern strolling family center. Dublin has become a destination for both living and informal gatherings. There are additional projects in the planning stages which will continue to make improvements in our town.

In order to maintain Dublin Borough as a premier location in Bucks County, we need increased resident involvement. Every resident has something to offer our town whether it is becoming a hometown hero with the fire department, helping with fundraisers, or volunteering on a committee to help shape our town. It is our hope that more residents become involved and volunteer in either the local government or in our first-rate local Fire Department.

To volunteer, contact Borough Hall during regular business hours at (215) 249-3310.

MAYOR'S MESSAGE

As I look forward to this year, I first want to thank you for the honor and privilege of serving you and our community as your mayor. The council members and I are excited and ready to work on the big ideas and issues discussed as part of the ongoing revitalization efforts to make Dublin Borough a great place to live, work and visit. Our key priorities include continuing to make the Dublin Town Center a reality, maintaining a high degree of public safety, and building a greater and more cohesive community. I know our town is poised for great things, and the council is determined to represent all the residents of Dublin Borough and advance our community.

Our council stands ready to execute on our Dublin Revitalization and Visioning Plan enacted nearly 10 years ago with the goal to propel our community forward. The Dublin Town Center is now thriving as an active, vibrant and walkable community comprised of The Square, The Station, a residential/commercial mixed-use building and 78 townhouses. We have recently completed the installation of sidewalks down one side of Middle Road in order to improve safety and access to our refurbished Supplee Park. We look forward to new and exciting re-development projects over the course of the year that support our stated visioning plan.

To the business community, corporations and development companies, please know this is a new day in Dublin Borough. Our town is open and ready for business, investment and your best proposals for redevelopment. There is definite opportunity for economic development in Dublin Borough, and we are ready for businesses, council and the community to work together to achieve great projects – together.

As residents of Dublin Borough, you should reasonably expect your mayor and council to be strategic, thoughtful and deliberate. We will focus on those things which bring our community closer together, move our town forward, and ultimately add value for our residents and businesses.

The future of our borough is bright. Dublin is an amazing town, and with your help and support, we will be a truly great community. Thanks again and hope to see you around town!

Chris Hayes

Mayor

MEET OUR NEWEST OFFICER

The Dublin Borough Police is proud to present our newest officer, Officer Rhiannon Brodbine. Officer Brodbine was hired in November of 2022 and is currently in the Field Training Program.

Officer Brodbine graduated from the Temple University Municipal Police Academy earning her ACT 120 certification in October of 2021. Prior to that she attended West Chester University where she attained a Bachelor of Science in Criminal Justice in 2020 and finally a Master of Science in Criminal Justice in 2021. While in college she served as President of the campus's chapter of the National Criminal Justice Honor Society as well as being a member of several other criminal justice organizations. In her off-duty time she enjoys golf, going to the gym, travelling, and volunteering at her church.

This is the first police job for Officer Brodbine but she has prior experience in the criminal justice system having served as a Youth Counselor at the Bucks County Youth Center.

Please say hello to Officer Brodbine when you see her here in Dublin Borough.

MEDICATION RETURN BOX

Unused medications can be a threat to you and your family if they fall into the wrong hands. Dublin Borough Police participate in the Spring and Fall National Drug Take Back Events and can be found on those event days at the Dublin Fire House from the hours of 10:00 AM to 2:00 PM. But those events only come twice a year. If you have prescription medications to discard at other times, the Drug Meds Return Box is located in the lobby of Borough Hall. The box is accessible any time that Borough Hall is open for business and is a handy and safe place to dispose of your unwanted prescription drugs. For those that cannot make it in during normal business hours please contact Bucks County Radio at 215-328-8501 to have an officer meet you at the station and give you access to the Drug Meds Return Box.

A FAMILIAR STORY WITH A HAPPY ENDING

The Dublin Borough Police Department would again like to alert residents of frauds perpetrated against elderly Dublin residents. Unfortunately, the elderly are frequent targets of scammers and can be vulnerable to these types of schemes.

In the most recent case, an elderly borough resident was contacted by someone whom she thought was a family member. This individual stated they had been arrested in Tennessee and needed \$9,000 in bail money. The victim was directed to go to her bank, withdraw the required cash, and mail it to them at an address in Tennessee. The victim complied, sending a shoebox of cash via UPS to Tennessee. Fortunately, there is a happy ending to this incident. The victim contacted police quickly, once she realized that her relative had not been arrested. The police were able to contact the carrier and put a stop to the delivery and the carrier returned the box of cash to the victim the following day. Kudos to Sergeant Kirk, Detective McClelland, and Officer Brodbine, all of whom participated in the investigation. Thanks also to the Hamblen County Sheriffs Department in Tennessee who were a great help in the case.

Anyone that receives this type call should check with other family members to confirm if the individual is incarcerated and should not give cash to anyone that comes to their door or requests that cash be mailed. Remember: **bail should only be paid at a legitimate court or law enforcement facility.**

The above scam is not limited to Dublin, but instead is being committed throughout the country and are often very similar in their details. If in doubt about a caller or situation one should call Dublin Borough Police or they can call a hotline for fraud and scams which is operated by the AARP. That number is **877-908-3360** and is monitored 24 hours a day, every day.

Dublin Residents,

I am extremely humbled to have been elected to represent you in the Pennsylvania State Senate. Due to the redistricting that took place last year, northern Bucks County has been added to the 16th Senate District. I look forward to meeting as many of you as possible, to learn what is important to each of you, and your families. My family and I call Breinigsville home, however I hope to be a familiar face in your community as we work together throughout my term. My goal is to ensure Pennsylvania delivers its potential to all of us.

I am honored to have been appointed Chairman of the Intergovernmental Operations Committee. I also have the pleasure of serving on Senate committees on Education, Local Government, Urban Affairs & Housing, Consumer Protection and Professional Licensure, and Communication & Technology.

Of course, as a member of the Senate, I will represent you on any issue before the Senate.

POINT PLEASANT-PLUMSTEADVILLE EMERGENCY SERVICES

Dear Friends and Neighbors-

We want to thank all of you for your amazing support of Point Pleasant-Plumsteadville Emergency Services these past years. Without your generous and continued support we would not be able to continue our 24/7/365 coverage for 911 emergencies. As we mentioned last year we needed to replace one of our ambulances; that has been completed and now are looking forward to have the same load systems and improved stretchers installed in our other two ambulances. These systems help save our staff from back injuries which is one of the leading injuries in the pre hospital setting. The cost of outfitting our remaining ambulances is in excess of \$115,000.

We, like everyone else have been dealing with supply issues, staff shortages and the rising costs of fuel and many other items. The medical field has been especially challenged with decreased personnel available to staff the ambulances, insurance reimbursements and acquiring the required safety equipment needed. With the help of our subscription drive which is on going now, we will be able to continue to serve you and your loved ones with the most up to state of the art equipment and qualified staff.

Should you have any questions regarding the emergency medical services or are interested in volunteering please contact Chief, Mike Tuttle, at 267-377-0103 or Chief@medic124.org.

Please be aware we offer CPR and First aid training as well.

WELCOME TO THE 143RD LEGISLATIVE DISTRICT!

By Rep. Shelby Labs

I am honored to begin my second term serving as State Representative for the residents of the 143rd Legislative District. As a result of the legislative redistricting process, our communities have now been joined, and I look forward to getting to know you and your neighbors.

As your new State Representative, I want to take a moment to introduce myself and let you know how my office can assist you. I was born and raised in Plumsteadville, where my husband and I still reside and are raising our daughter. I take great pride in serving our area and bringing results back to our community. I know the importance of protecting our quality of life and preserving the natural beauty that makes our home so unique.

My office is located at the Silo Hill Professional Building, 1032 N. Easton Road in Plumstead Township. Please contact me at 215-489-2126 or RepShelbyLabs.net/contact to share your thoughts and concerns, or for assistance with any state-related matter. My staff and I are able to offer assistance with PennDOT paperwork, SEPTA Key Senior Fare Card Applications (Original and Renewals), Birth Certificate Applications, Property Tax and Rent Rebate applications, state tax forms and much more! Please visit RepShelbyLabs.net and sign up to receive my email updates for the latest legislative and community news.

I also invite you to my upcoming free Shredding Event scheduled for Saturday, April 22, from 10 a.m. to noon in the parking lot of Grasse Elementary, 600 Rickerts Road, Sellersville (Hilltown Township). Residents are encouraged to bring documents that contain credit card numbers, Social Security numbers, medical information, and bank account information to be disposed of securely.

I look forward to seeing you around our community!

PRIVATE LATERAL INSPECTIONS

UPCOMING INSPECTIONS

In 2003 Dublin Borough adopted Ordinance # 248 - An Ordinance Prohibiting the Discharge of Stormwater, Surface Water, Groundwater, Roof Run-Off, or Sub-Surface Drainage in the Public Sanitary Sewer System. In order to enforce this ordinance, the Borough established a program to determine sources of excess water entering the sanitary sewer system from private property laterals and building piping. This excessive clear water is a major problem for our pipeline and treatment systems during wet weather. It is possible that your property may be discharging such water through roof drains, foundations, and/or sump pumps. The discharge of any of these sources into the public sanitary sewer is a violation of both state and local regulations.

Please be advised that over the next several months, staff will be reaching out to residents to schedule an on-site inspection of your home to ensure that all properties within the Borough comply with the above ordinance. All property owners will be notified of the Borough's request to inspect their property by letter with additional information on the process. We appreciate your cooperation as we work through completing these inspections.

MIDDLE ROAD SIDEWALK PROJECT

Community Development Block Grant – Middle Road Pedestrian Walkway

In the last edition of our Newsletter, we announced that the Borough was awarded a Community Development Block Grant (CDBG) that provided funding for the installation of a pedestrian walkway and associated improvements along Middle Road. We are happy to announce that the project is complete! This project furthered our initiative to provide a walkable means of travel for residents along Middle Road to access the center of the Borough and the many amenities that are presently available as a result of the on-going implementation of the Borough's Revitalization Plan. Additionally, this enhancement allows residents and visitors walkable access to Supplee Park.

SIDEWALK INSPECTIONS

A friendly reminder:

Spring is here! As weather continues to improve, the Borough will see an increase of foot traffic utilizing sidewalks. We encourage all residents to inspect and repair their sidewalks accordingly. The safety of our residents and those visiting our Borough is our #1 priority. Your anticipated cooperation is greatly appreciated.

DUBLIN BOROUGH FLUSHING NOTICE

Dublin Borough will be flushing the water distribution system the evening of Sunday May 7, 2023 and the evening of Monday May 8, 2023.

Flushing will take place between the hours of 10:00 p.m. and 5:00 a.m.

Please refrain from using water during this time as it may draw sediment into your service line. Customers may experience low pressure and temporary discoloration of water.

If discoloration persists, please let it settle for a minimum of a half hour.

Then run the COLD water for a few minutes.

If the problem persists, customers should contact our office at (215) 249-3310. If you have any water softeners, they should be turned off to prevent back siphoning of the softening media. Additionally, we urge you to check your wash water prior to doing laundry.

Flushing is necessary to maintain the water distribution system and preserve water quality.

We apologize for any inconvenience and thank you for your cooperation.
