

EMERGENCY – CALL 911

INCLEMENT WINTER WEATHER: Snow plowing and anti-skid material applications for 2011-2012 will be provided by Passerini Construction.

SIDEWALK SNOW & ICE REMOVAL: As required by Ordinance No. 256, all snow and ice must be removed from all side walks along all road ways within 24 hours after snowfall or accumulation has ceased. A thirty (30") inch path along the entire length of the sidewalk on your property is required. If notice is given by an authorized Borough official directing and requiring owner to remove or cause to be removed ice or snow within 8 hours after receipt of notice. This is enforceable with a citation issued with fines up to \$1,000.00.
